

THE CHRISTMAS SPIRIT OF GIVING

WHAT WE DO AND DON'T NEED

We have a special duty of care to our homeless and needy guests, many of whom suffer chronic health conditions. We comply with an internationally recognised system for reducing the risk of safety hazards in food. We also have a healthy eating policy. This means we are unable to accept certain donations. Items with a green tick will be gratefully accepted. Items with a red cross will not be accepted.

PACKING & DROPPING OFF YOUR GOODS

Most importantly, please do not gift wrap your donation. Also, only pack donated goods into bags provided by The Exodus Foundation, or similar supermarket green bags. This makes it easier and safer for our staff and volunteers to lift them. In addition, please ensure similar items are placed in the same bag to help us efficiently sort your donation.

Giving to The Exodus Foundation helps ensure those in greatest need don't miss out at Christmas, so I encourage you to donate food and gifts. We also accept supermarket gift cards! These are used to buy additional fresh food.
